

Andreas König Instagram Links

We need to create a page like this: <https://links.investmentpunk.com/instagram>

It is for Instagram and mainly needs to be optimized for mobile.

Here are all the graphics:

You need to create three pages in total:

-  TABLINKDESIGN1.png

Link: <https://www.koenigpecka.com/>

-  TABLINKDESIGN2.png

Link to another subpage with all of the spotify and apple podcast articles from the main website:

- Vom Studenten zum E-Commerce Millionen Business
- How two friends build their dropshipping empire
- Interview mit andreas könig das Königs mindset
- mit ecommerce zum multi millionen business
- Andreas König success story
- Techmoney Talks
- Durch ecommerce in nur 2 Jahren

(make all the thumbnails the same height)

-  TABLINKDESIGN3.png

Link to another subpage with all press articles from the main website:

- the forbes article
- galileo
- oe24
- the hustle
- industrie magazine
- oberlo
- oberlo
- wZ
- droppshipping it

(make all the thumbnails the same height)

-  TABLINKDESIGN4.png

Link: <https://koenigandreas.com/>

-  TABLINKDESIGN5.png
Link: <https://paka-trade.com/>

On all the pages, please include the dynamic background we used on the main website.
